RULING

DISPOSITION: COMMENT PERIOD EXTENDED

On May 5, 2022, the Commission opened a formal rulemaking regarding revisions to Division 087 of its administrative rules. On May 31, 2022, the Administrative Hearing Division served the notice of the proposed rulemaking, which was filed with the Secretary of State on May 27, 2022. This notice established June 22, 2022, as the date for a rulemaking hearing and June 27, 2022, as the deadline for written comments on the proposed rulemaking. Staff of the Public Utilities Commission intends to publish a guidance document for adoption alongside the proposed revised rules, which will not be available prior to either the rulemaking hearing or the current deadline for written comments.

To ensure that stakeholders and other interested persons have the opportunity to provide comment on these guidelines, we will continue the rulemaking hearing. We will hold the rulemaking hearing on June 22, 2022, to receive comments as noticed, after which we will continue the rulemaking hearing to August 9, 2022, in order to provide stakeholders with an opportunity to comment on the proposed guidance document.

The deadline for written comments is extended to August 12, 2022, at 4:00 p.m. Comments received after 4:00 p.m. on August 12, 2022, will not be included in the rulemaking record.
