RULING

DISPOSITION: APPLICANT TO REPLY TO RESPONSE

On June 17, 2005, Lightspeed Networks, Inc. (Applicant) filed a motion to dismiss the protest of Guy Alvis. On July 6, 2005, Mr. Alvis filed a response to the motion, which details many facts about his relationship with NoaNet Oregon and, in turn, that company's relationship with Applicant.

Although the Commission's administrative rules do not provide for an opportunity for a moving party to comment on a response to a motion, the Commission would benefit from hearing Applicant's reply to the numerous facts and assertions made by Mr. Alvis. Staff also may file a reply if it so chooses. All replies are due within 15 days from the date of this ruling.

The Commission will issue a ruling on Applicant's motion to dismiss following receipt and review of all replies.

Dated at Salem, Oregon, this 7th day of July, 2005.
