On July 14, 2005, the Utility Reform Project and Ken Lewis filed a Motion to Dismiss in conjunction with their opening brief in this case. Under OAR 860-013-0050(3)(d), a reply to the motion would be due July 29. The second round of briefs is due August 12, 2005. The reply to the motion may be filed with the second round of briefs.

On July 14, 2005, Pacific Power & Light dba PacifiCorp (PacifiCorp) filed a petition to intervene concurrently with its opening brief. The petitioner has sufficient interest in the proceeding, and its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. The petition is conditionally granted. Any person wishing to contest the petition may do so within 10 days of service of the petition. If no person contests it, the decision to grant the petition shall be final.
