RULING

**DISPOSITION: DUE DATE FOR STAFF'S FINAL COMMENTS
POSTPONED**

By motion filed on December 3, 2009, Staff of the Public Utility Commission of Oregon (Commission Staff) seeks permission to not file final comments and a draft order on December 8, 2009. Staff represents that it is continuing to work with Pacific Power and intervening parties to resolve issues raised in comments filed on October 8, 2009. Pursuant to the existing schedule, comments on Staff's final comments are due on December 8, 2009, and Staff's Memorandum on January 28, 2010.

I grant Staff permission to not file final comments and a draft order on December 8, 2009. I request, however, that if Staff needs longer than one week from the original due date, past December 15, 2009, that Staff should consult with parties to determine whether the remainder of the schedule needs revising.

Dated this 4th day of December, at Salem, Oregon.
