ISSUED: September 27, 2013

BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

LC 58

In the Matter of

IDAHO POWER COMPANY,

RULING

2013 Integrated Resource Plan

DISPOSITION:

PETITION TO INTERVENE GRANTED FOR LIMITED

PURPOSES

The Commission received a petition to intervene from Portland General Electric Company (PGE) on September 16, 2013. Although proceedings to review a utility's integrated resource plan (IRP) are not considered contested case proceedings under the ORS 183.310(2)(a), obtaining party status is necessary to be placed on the service list for purposes of receiving copies of filings made by other parties and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant petitions to intervene in IRP dockets, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petition to intervene, filed by PGE is granted for the limited purposes described above.

Dated this 27th day of September, 2013, at Salem, Oregon.
