PREHEARING CONFERENCE
MEMORANDUM

This memo was inadvertently not posted after the October 11, 2018 prehearing conference in this docket. At that prehearing conference, representatives appeared on behalf of Avista Corporation, dba Avista Utilities, and Commission Staff. The Oregon Citizens' Utility Board filed its notice of intervention as allowed under ORS 774.180

I am issuing this memo now with an update to the "Commissioner Workshop" line item that was previously a placeholder on December 18, 2018. That event has been modified to be an item on the Commission's Regular Public Meeting agenda on December 18, 2018. As a public meeting item, Staff will present a summary of its comments in this proceeding, and Avista will summarize its reply comments. CUB and any other stakeholders are also invited to comment. Commissioners will ask questions. No decisions will be made.

The below procedural schedule is adopted:
