

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 79

In the Matter of

NORTHWEST NATURAL GAS  
COMPANY, dba NW Natural,

2022 Integrated Resource Plan.

ERRATA  
MEMORANDUM

**DISPOSITION: PROCEDURAL SCHEDULE MODIFIED**

On November 10, 2022, I issued a memorandum modifying the procedural schedule for this proceeding. This schedule included a special public meeting to consider acknowledgement of the 2022 Integrated Resource Plan (IRP) for Northwest Natural Gas Company on June 1, 2023. To ensure that there is enough time to hear from all interested persons, the Commission will reserve a second day to consider acknowledgement of the IRP on June 6, 2023. The Commission will convene the second special public meeting only if necessary, and the Commission will not accept comment from interested persons, though the Commission may ask specific follow-up questions to Staff, NW Natural, or other participants in attendance.

Accordingly, the schedule for the remainder of this proceeding is as follows.

<b>Event</b>	<b>Date</b>
Acknowledgement Meeting	June 1, 2023, at 9:30 a.m.
Acknowledge Meeting (if necessary, Commissioner deliberation only)	June 6, 2023, at <b>10:30 a.m.</b>

Dated this 15th day of May, 2023, at Salem, Oregon.
