

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 79

In the Matter of

NORTHWEST NATURAL GAS  
COMPANY, dba NW Natural,

2022 Integrated Resource Plan.

MEMORANDUM

**DISPOSITION: PROCEDURAL SCHEDULE MODIFIED**

On November 10, 2022, I issued a memorandum modifying the procedural schedule for this proceeding. This schedule included a Commissioner Workshop scheduled for February 7, 2023. In addition to the February 7, 2023 workshop, the Commission will hold a second Commissioner Workshop for Commissioner discussion and potential follow-up questions, likely to Northwest Natural Gas Company, dba Northwest Natural, and Staff. To accommodate schedules of NW Natural personnel, the Commission will hold this second workshop on February 24, 2023, at 9:30 a.m. However, NW Natural, Staff, stakeholders, and other interested persons should be aware that the second Commissioner Workshop may need to be rescheduled to the morning of February 23, 2023. The Commission will issue an agenda prior to the workshops.

Additionally, the schedule issued November 10, 2022, set the deadline for all party comments on Staff's final comments and recommendations as May 2, 2023. This date was an inadvertent change to the original schedule issued October 19, 2022, and the date is hereby corrected to May 5, 2023 consistent with the October 19, 2022 schedule.

Accordingly, the schedule for the remainder of this proceeding is as follows.
