

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 82

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2023 Integrated Resource Plan

RULING

**DISPOSITION: SCHEDULE ADOPTED**

On May 9, 2023, Commission Staff sent an email to the parties and the Administrative Law Judge indicating there was an agreed upon procedural schedule being circulated. However, Staff stated that NewSun Energy LLC was requesting that two additional workshops be added to the schedule. On May 10, 2023, Staff re-sent the email with a minor correction. I treat Staff's email as motion to adopt a procedural schedule.

**Procedural Schedule**

Staff's proposed schedule was taken under advisement. After conferring with the Commissioners, additional workshops will not be scheduled at this time; they may be scheduled later at the Commissioners' discretion. The following schedule proposed by Staff is adopted:
