

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 83

In the Matter of

CASCADE NATURAL GAS  
CORPORATION,

2023 Integrated Resource Plan.

RULING

**DISPOSITION: MOTION TO AMEND THE PROCEDURAL SCHEDULE GRANTED**

On September 26, 2023, Commission Staff filed a letter seeking to amend the procedural schedule in this docket. I construe this letter as a motion to amend the procedural schedule on an expedited basis. Staff’s motion asserts it “informed stakeholders participating in the LC 83 Docket, and no stakeholder opposed the revised schedule.”

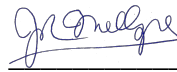

Based on Staff’s assertion that other participants in this docket have been notified and for good cause, I grant Staff’s motion on an expedited basis. The procedural schedule is amended as follows:

<b>Date</b>	<b>Event</b>
October 5, 2023	Staff and Stakeholder Opening Comments Due
November 2, 2023	Company Reply Comments Due
November 28, 2023, 1:30 p.m.	Commissioner Workshop <sup>1</sup>
December 22, 2023	Staff Final Comments Due
February 14, 2023	Company and Stakeholder Comments on Staff’s Final Comments Due
March 7, 2024, 1:30 p.m.	Special Public Meeting: Public Hearing and Commissioner Work Session
March 14, 2024, 1:30 p.m.	Special Public Meeting: Commissioner Work Session (if needed)

<sup>1</sup> Staff’s motion contained an incorrect date and time for the Commissioner Workshop. Docket participants are advised that the date and time listed above is when the workshop will occur.

**All filings in this proceeding are due by 3:00 p.m. on the due date via electronic submission to the Filing Center. Filings submitted after 3:00 p.m. will be considered filed on the next business day.**

Dated this 27th day of September, 2023, at Salem, Oregon.
