DISPOSITION: REQUEST FOR SCHEDULE CHANGE GRANTED

On July 23, 2003, Michael Morgan, counsel for Portland General Electric (PGE), made an oral request for a schedule change on behalf of PGE, the Industrial Customers of Northwest Utilities (ICNU), the Citizens' Utility Board (CUB) and Commission Staff (Staff).

To facilitate further settlement discussions, Mr. Morgan stated that the parties request the following changes to the procedural schedule:

1. With respect to the PCA portion of this docket, the due date for the response testimony of Staff and Intervenors will be extended from July 25, 2003 to August 4, 2003.
2. With respect to the RVM portion and power cost issue of this docket, the due date for PGE's reply testimony will be extended from August 5, 2003 to August 12, 2003. PGE will use its best efforts to respond to data requests on this reply testimony within 5 business days.
3. There will be a continuation of the settlement conference on July 29, 2003 at 2:00 p.m. The conference will be held in Portland. PGE will arrange a room and inform the parties.
4. The deposition of Maury Galbraith will not take place on July 29, 2003 as currently scheduled. Instead, Staff and PGE will work together to reschedule this deposition early in the week of August 4, 2003.

The request for these particular changes is granted. Any requested changes to the remaining schedule will be addressed at a later time.

Dated at Salem, Oregon, this 25th day of July, 2003.
