DISPOSITION: PETITION TO INTERVENE GRANTED

On April 28, 2005, the United States Bureau of Reclamation (Reclamation) and the United States Fish and Wildlife Service (the Service) filed a petition to intervene as parties to this proceeding. No party filed an objection to the petition.

After review, I conclude that both Reclamation and the Service have sufficient interest in this matter and that their participation will not unreasonably broaden the issues, burden the record, or delay the proceeding. Accordingly, the petition to intervene filed by the United States Bureau of Reclamation and the United States Fish and Wildlife Service is granted. *See* OAR 860-012-0001.

Dated at Salem, Oregon, this 11th day of May, 2005.
