Application for Approval of Power Cost )  
Adjustment Mechanism. )

**DISPOSITION: MOTION GRANTED; SCHEDULE EXTENDED;  
HEARING RESCHEDULED**

On September 30, 2005, the Public Utility Commission of Oregon Staff (Staff) filed a Motion to amend the procedural schedule, stating that it needed additional time in which to prepare and file its testimony. Staff further asked that the hearing be reset. Staff contacted PacifiCorp, Industrial Customers of Northwest Utilities, and Citizens' Utility Board of Oregon, and states that none of these parties oppose the motion.

Staff's motion is hereby granted and the new schedule is as follows:

<b>ACTION</b>	<b>DUE DATE</b>
Intervenor/Staff Supplemental Testimony Due (Intervenors may respond to other intervenors' testimony at this time, as well as PacifiCorp's rebuttal testimony)	October 17, 2005
PacifiCorp Response Due	October 31, 2005
Cross-Examination Statement Due	November 7, 2005
Hearing	November 16, 2005.

All dates are considered "in-hand" filing dates. The cross-examination statement should include the person to be cross-examined, the subject matter of the cross-examination, and the estimated amount of time needed to complete cross-examination.

A Notice of Hearing accompanies this ruling.

Dated at Salem, Oregon, this 30th day of September, 2005.
