In the Matter of

PACIFICORP, dba PACIFIC POWER,

Annual Tax Filing under ORS 757.268.

RULING

DISPOSITION: MOTION FOR LEAVE TO FILE REPLY GRANTED

On November 30, 2010, the Industrial Customers of Northwest Utilities (ICNU) filed a motion seeking leave to file a reply in connection with its Motion to Amend the Protective Order (ICNU's Motion) in this docket. PacifiCorp, dba Pacific Power (Pacific Power) filed its response to ICNU's Motion on November 17, 2010. On November 29, 2010, Pacific Power filed a supplemental exhibit to its response. ICNU argues that Pacific Power's supplemental filing entitles ICNU to file a reply. ICNU seeks leave file a reply brief by December 6, 2010.

Under the Commission's new procedural rules, a party may file a reply to a substantive motion within seven days of a response. In this case, ICNU chose not to file a reply to Pacific Power's November 17, 2010 response within seven days. Pacific Power filed supplemental information just yesterday, however, to which ICNU has been given no opportunity to respond.

ICNU may file a reply addressing the information in Pacific Power's November 29, 2010 supplemental filing. ICNU's reply must be filed by December 6, 2010.

Dated this 1st day of December, 2010, at Salem, Oregon.
