PGE presentation to Edison Electric Institute on November 7, 2006	Staff/1925

No objections were filed to admission of any of the testimony or exhibits. They are admitted into the record. The stipulations and supporting joint testimony regarding direct access, rate spread and rate design, revenue requirement and streetlight service have also been admitted into the record. In addition, the schedule 76R stipulation and supporting testimony have been submitted. They are conditionally admitted into the record, pending the expiration of the objection period.

With the exception of motions related to the schedule 76R stipulation, or any future stipulation, the record is closed.

Dated at Salem, Oregon, this 14th day of November, 2006.

Christina M. Hayes
Administrative Law Judge

¹ Staff exhibits 1924 and 1925 were late filed, but Staff indicated PGE, ICNU, CUB, and the City of Portland do not object. The exhibits are admitted.
