Request to Add Schedule 111, Advanced)	
Metering Infrastructure (AMI).)	

DISPOSITION: SCHEDULE VACATED

I am advised by Douglas Tingey, attorney for Portland General Electric Company (Company), that the Company and some parties will file a joint stipulation that they believe will fully resolve the issues in this proceeding. Accordingly, the schedule in this proceeding is vacated. When the parties file their stipulation, they also should propose a schedule for further proceedings.

Dated at Salem, Oregon, this 15th day of November, 2007.

Patrick Power
Administrative Law Judge
