**DISPOSITION: AUGUST 2 HEARING CANCELLED;
PARTIES TO MAKE CERTAIN FILINGS**

No party identified witnesses for cross-examination. I similarly have identified no witnesses for examination. Accordingly, notice is given that the evidentiary hearing scheduled for August 2, 2007, is cancelled. Instead, August 2, 2007, will now serve as the due date for parties to file witness affidavits to allow the pre-filed testimony to be admitted into the record.

The Industrial Customers of Northwest Utilities (ICNU) shall also file, by August 2, 2007, any written motion to submit, as hearing exhibits, the responses to data requests identified in its cross-examination statement. Prior to any such filing, ICNU shall consult with Portland General Electric Company, and other parties, to determine if any party objects to the admission of the data responses. If objections arise that cannot be resolved informally by the parties, replies to any motion shall be filed by August 9, 2007.

Finally, by August 2, 2007, parties must jointly file a proposed briefing schedule. Because the schedule identifies October 18, 2007, as a proposed date for a Commission decision, all briefing must be concluded by September 20, 2007.

Dated at Salem, Oregon, this 27th day of July, 2007.
