**DISPOSITION: PROCEDURAL SCHEDULE VACATED**

On August 27, 2008, PacifiCorp dba Pacific Power (Pacific Power) filed a motion to suspend the procedural schedule in this matter. In support of its motion, Pacific Power states that the parties in this proceeding have reached an agreement “in principal,” resolving all issues in this docket. The parties expect to file a stipulation memorializing their agreement, along with joint testimony, on or before September 5, 2008.

Presently, the schedule in this proceeding provides for Staff/Intervenor surrebuttal testimony to be filed on September 4, 2008 and Pacific Power’s surrebuttal to be filed on September 15, 2008, with a tentative hearing date of September 19, 2008. Pacific Power proposes to suspend that schedule to allow the parties to reach their final agreement. Pacific Power promises to notify the Administrative Law Judge not later than September 11, 2008 whether the parties have reached that agreement.

For good cause and for the convenience of the parties the motion is granted. The procedural schedule is vacated.

Dated at Salem, Oregon, this 28th day of August, 2008.
