DISPOSITION: SCHEDULE MODIFIED

Following a prehearing conference a schedule was adopted in a memorandum issued May 5, 2008. On June 5, 2008, the Commission Staff (Staff) filed a “stipulated motion to modify procedural schedule.” In its motion Staff reports that all parties concur in the motion, and asks for expedited consideration.

On June 9, 2008, PacifiCorp (Pacific Power) filed a response to Staff’s motion. In its response Pacific Power states that, while it concurs with the changes to the procedural schedule advanced by Staff, it does have a problem with the date proposed for the hearing. Pacific Power reports that it has raised its concerns with other parties, but has not yet been able to reach an accord on an alternate date.

Staff’s proposed schedule is adopted, except that the hearing dates and briefing dates are vacated, pending further efforts by the parties to agree to a schedule. Pacific Power is directed to report to the Commission, not later than June 30, 2008, the status of those discussions, and if an agreement has not been reached by that date, a second prehearing conference will be convened to set the schedule.

The modified schedule is as follows:

Action	Due Date
Staff/Intervenors Reply Testimony	July 23, 2008
Settlement Conference	August 6, 2008
Pacific Power Rebuttal Testimony	August 22, 2008

Reply Briefs	TBD

Action	Due Date
Commission Order	November 1, 2008

Dated at Salem, Oregon, this 10th day of June, 2008.
