**DISPOSITION: SCHEDULE VACATED**

Presently a hearing is set for September 15, 2008, to receive the direct testimony and hear the cross-examination of Commission Staff witness Deborah Garcia. By motion filed September 12, 2008, PacifiCorp, dba Pacific Power (Pacific Power) reports that the parties have reached a partial stipulation that settles the issues addressed in Ms Garcia’s testimony. Accordingly, Pacific Power requests that the hearing be canceled and the schedule vacated. Pacific Power reports that all parties support its motion.

Pacific Power further requests that the record remain open until the end of the day on September 15, 2008, because parties may be submitting additional exhibits into the record on that date.

The schedule is vacated. However, there remains the matter of scheduling briefs. The parties are directed to confer regarding the briefing schedule and to report the results not later than September 18, 2008. The record will remain open until the filing of reply briefs (or concurrent briefs).

Dated at Salem, Oregon, this 12th day of September, 2008.
