DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED

On September 26, 2008, Portland General Electric Company (PGE) filed a motion to modify the schedule in this proceeding. PGE reports that the parties to this docket, the Citizens' Utility Board of Oregon (CUB), the Industrial Customers of Northwest Utilities (ICNU), the Public Utility Commission of Oregon Staff (Staff), and PGE have reached an agreement in principle resolving all issues. PGE requests that the remaining schedule be suspended, and the parties be allowed time to submit a stipulation and supporting brief or testimony. PGE states that the parties anticipate that the stipulation and supporting document will be filed by October 17, 2008.

PGE's motion, supported by CUB, ICNU, and Staff, is adopted. The procedural schedule in this proceeding is modified to allow the parties to file a stipulation and supporting document by October 17, 2008.

Dated this 29th day of September, 2008, at Salem, Oregon.
