RULING

DISPOSITION: PETITION TO INTERVENE OF THE INDUSTRIAL
CUSTOMERS OF NORTHWEST UTILITIES
GRANTED

On April 8, 2009, the Industrial Customers of Northwest Utilities (ICNU) petitioned to intervene in this proceeding pursuant to OAR 860-011-0035(5). The period for objection to ICNU's petition has passed.

After review of this petition, I find that ICNU has sufficient interest in this proceeding, and that its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. See OAR 860-012-0001. I grant ICNU's petition to intervene.

Dated this 20th day of April, 2009, at Salem, Oregon.
