RULING

DISPOSITION: PETITION TO INTERVENE GRANTED

On June 9, 2010, the Community Action Partnership of Oregon (CAPO) filed a petition to intervene in this proceeding. The time to contest the petition has passed, and the Commission has not received objections. I find that CAPO has sufficient interest in this docket and that its participation will not unreasonably broaden the issues, burden the record, or delay the proceedings. The petition is therefore granted. *See* OAR 860-012-0001. CAPO should be aware, however, that due to the late date of the intervention and the status of settlement negotiations, its participation may be limited.

Dated this 22nd day of June, 2010, at Salem, Oregon.
