OF OREGON**

UE 216

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2011 Transition Adjustment Mechanism

RULING

DISPOSITION: MOTION WITHDRAWN

By motion filed October 6, 2010, PacifiCorp, dba Pacific Power (Pacific Power or the Company), requested the Public Utility Commission of Oregon approve a modified protective order in this docket "to provide additional protective measures for Highly Confidential information related to the Company's Official Forward Price Curve." The relief requested related to data requests served on the Company by the Industrial Customers of Northwest Utilities (ICNU).

By letter dated October 29, 2010, Pacific Power reported that the Company and ICNU had resolved the underlying dispute that precipitated the filing of the motion. Accordingly, Pacific Power requested that its motion be withdrawn.

PacifiCorp, dba Pacific Power's motion filed October 6, 2010, is withdrawn.

Dated at Salem, Oregon, this 1st day of November, 2010.
