In the Matter of

PACIFICORP, dba PACIFIC POWER

2012 Transition Adjustment Mechanism.

RULING

DISPOSITION: PROCEDURAL SCHEDULE MODIFIED

On June 15, 2011, the Industrial Customers of Northwest Utilities (ICNU) advised the Commission that PacifiCorp, dba Pacific Power (Pacific Power) has provided ICNU with documents responsive to the data requests referenced in its motion to compel. As a result, ICNU is withdrawing its motion.

ICNU states that Pacific Power has agreed to extend ICNU's deadline to file testimony on the issue for which this disputed discovery was sought – the development of hourly scalars for forward price curves – until July 5, 2011. ICNU states that it will use its best efforts to file the testimony by 3:00 p.m. on that date.

In light of this agreement, the procedural schedule is modified to reflect the agreement between Pacific Power and ICNU. ICNU's testimony on the limited issue of hourly scalars for forward price curves will be due on July 5, 2011. In all other respects, the procedural schedule remains the same.

Dated at Salem, Oregon, this 16th day of June, 2011.
