BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

UE 245

In the Matter of

PACIFICORP, dba PACIFIC POWER

2013 Transition Adjustment Mechanism.

RULING

DISPOSITION: MOTION TO MODIFY PROCEDURAL SCHEDULE
GRANTED IN PART

On April 4, 2012, Pacificorp, dba Pacific Power, the Citizens' Utility Board of Oregon, the Industrial Customers of Northwest Utilities, Noble Americas Energy Solutions LLC, and Staff of the Public Utility Commission of Oregon (collectively "moving parties") filed a joint motion to modify the procedural schedule. Moving parties request that the Commission adopt the following changes to the schedule adopted on March 20, 2012: add settlement conference dates, recognize the parties' agreement to shorten the deadline for responding to data requests, include the deadline for Pacific Power's indicative NPC, and move out the dates for hearing, opening briefs, and closing briefs.
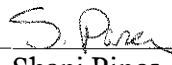

I accept all proposed changes except movement of the date for simultaneous opening and closing briefs, which would reduce the time available to the Commission to prepare and issue a decision. Accordingly, I adopt the following modified procedural schedule:

EVENT	DATE
Settlement Conference	**May 24, 2012**[1]
Staff and Intervenor Testimony	June 6, 2012
Settlement Conference	**June 14, 2012**
Pacific Power Reply Testimony	July 11, 2012
Hearing	**August ~~13~~ 16, 2012**
Simultaneous Opening Briefs	**September ~~5~~ 10, 2012**
Simultaneous Closing Briefs	September 17, 2012
Target date for Commission decision	October 26, 2012
Indicative NPC	**November 8, 2012**
Final NPC	November 15, 2012
New Rates Effective	January 1, 2013

---

[1] Settlement conference dates are included in the schedule for the parties' convenience. The parties do not need Commission approval to reschedule settlement conferences.

Moving parties agree that responses to data requests will be due within five business days of receipt after Pacific Power files its reply testimony.

Dated this 8th day of May, 2012, at Salem, Oregon.
