DISPOSITION: PETITIONS TO INTERVENE GRANTED

The following companies filed petitions to intervene in this docket: Sierra Club, NW Energy Coalition, and Renewable NW Project. The period to contest the petitions has passed and no objections were received. I find that Sierra Club, NW Energy Coalition, and Renewable NW Project have sufficient interest in the proceeding to participate and their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. The petitions to intervene are granted.

Dated this 6th day of April, 2012, at Salem, Oregon.
