

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 264

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2014 Transition Adjustment Mechanism.

RULING

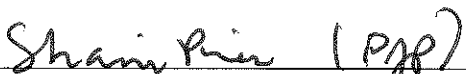

**DISPOSITION: BRIEFING SCHEDULE ADOPTED**

On August 19, 2013, I issued a ruling canceling the hearing scheduled for August 20, 2013, and requesting that parties file proposed dates for the remainder of the docket. On August 20, 2013, counsel for Pacific Power e-mailed me and all docket parties to request clarification on whether a proposed schedule should include sequential or simultaneous briefs, as well as to ask what the final briefing date should be. I replied to all parties on August 21, 2013, stating that briefing should be sequential, and that all briefing must be complete by September 23, 2013. Later that day, counsel for Pacific Power e-mailed me and all parties the schedule agreed to by the parties for the remainder of the docket, and requested an additional two days for the final brief due date. On August 22, 2013, counsel for Pacific Power filed a motion on behalf of the docket parties requesting adoption of the parties' proposed briefing schedule.

I adopt the following procedural schedule:

Pacific Power Opening Brief	September 6, 2013
Staff/Intervenor Response Briefs	September 18, 2013
Pacific Power Reply Brief	September 25, 2013

Dated this 23<sup>rd</sup> day of August, 2013 at Salem, Oregon.
