Request for a General Rate Revision.

RULING

DISPOSITION: MOTIONS GRANTED; TESTIMONY AND EXHIBITS
 ADMITTED

Motions to admit pre-filed testimony and exhibits have been filed in this docket by Commission Staff; Portland General Electric Company (PGE); the Industrial Customers of Northwest Utilities (ICNU); the Citizens' Utility Board of Oregon (CUB); Fred Meyer Stores, a subsidiary of The Kroger Co. and Quality Food Centers (Fred Meyer/Kroger); and the Small Business Utility Advocates (SBUA). All motions were supported by witness affidavits and no party objected to the motions of other parties. In addition, PGE submitted motions to admit the partial stipulation and second partial stipulation, including joint testimony in support thereof.

I find that the testimony and exhibits offered by the parties meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. The parties' motions are granted. The following testimony and exhibits, including revisions and errata pages thereto, are admitted into the record:
