DAHO POWER COMPANY,

2019 Annual Power Cost Update.

RULING

DISPOSITION: MOTION GRANTED

On April 19, 2019, Idaho Power Company filed a motion to suspend the procedural schedule. Idaho Power states that the parties are requesting a suspension of the due date for Staff's and CUB's testimony on the March Forecast to allow time to finalize a settlement stipulation. The parties are also requesting that the May 8, 2018 stipulation and the May 29, 2019 final order due dates remain in place. Idaho Power states that it has conferred with Staff and CUB and both parties agree to the suspension.

RULING

I find that good cause exists and grant the motion. The due date of the April 24, 2019 March Forecast testimony by CUB and Staff is suspended. The remainder of the schedule remains unchanged.

Dated this 22nd day of April, 2019, at Salem, Oregon.
