

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 352

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2019 Renewable Adjustment Clause.

RULING

**DISPOSITION: PARTIES TO FILE STIPULATION AND SUPPORTING
DOCUMENTS BY JULY 23, 2019**

On June 26, 2019, we granted a motion filed by PacifiCorp, dba Pacific Power, to suspend the procedural schedule in this proceeding. On July 2, 2019, PacifiCorp filed a status update indicating that the company has reached a settlement in principle with all parties and is working to file a stipulation and testimony. The parties are directed to submit a settlement with supporting testimony or a joint brief no later than close of business on July 23, 2019.

The procedural schedule originally established in this proceeding included a deadline for the company's reply brief on August 14, 2019 and a target date for a Commission decision of September 15, 2019. In the event that the parties fail to file a stipulation, any proposed procedural schedule submitted must similarly provide for at least one month between the filing of final reply brief and a target Commission decision.

Dated this 3rd day of July, 2019, at Salem, Oregon.
