RULING

**DISPOSITION: TESTIMONY AND EXHIBITS ADMITTED**

Portland General Electric Company (PGE); Alliance of Western Energy Consumers (AWEC); Calpine Solutions LLC; Oregon Citizens' Utility Board (CUB); and Commission Staff filed motions to admit testimony and exhibits in this proceeding. The motions are supported by witness affidavits or declarations. No party has objected to the motions.

I find the testimony and exhibits offered by the parties meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. The following testimony and exhibits are admitted into the record:

Staff/200-203 Staff/400	Opening and Rebuttal and Cross-Answering Testimony and Exhibits of Sabrinna Soldavini

I note that during the October 17, 2019 hearing all of the cross-examination exhibits filed by the parties were admitted; with the exception of PGE 403, which was admitted in part. The portion of PGE 403 admitted into the record is the E3 Presentation, found at pages 5-115 of PGE exhibit 403.

The record is closed.
