

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 394

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Request for a General Rate Revision.

RULING

DISPOSITION: DEADLINE FOR RESPONSES ESTABLISHED

On May 11, 2022, Portland General Electric Company filed a motion for clarification, requesting expedited consideration.¹ PGE proposes that responses to this motion be due in one week, with any reply from PGE due within two business days. In an errata filed on May 11, 2022, PGE indicates that the Oregon Citizens' Utility Board requests that responses be due fifteen days from filing of the motion. Here, in order to facilitate expedited consideration and in light of the limited scope of PGE's motion, I find good cause to establish shortened response and reply deadlines pursuant to OAR 860-001-0000. The following deadlines are designed to balance the parties' need for adequate time to prepare their responses, while also allowing the Commission to address PGE's motion in an expedient manner. Responses are due by 3:00 p.m. on Monday, May 23, 2022. Any replies are due by 3:00 p.m. on Wednesday, May 25, 2022.

Dated this 12th day of May, 2022, at Salem, Oregon.
