COMPANY,

2020 Annual Power Cost Variance  
Mechanism.

RULING

DISPOSITION: MOTION GRANTED, SCHEDULE SUSPENDED

On September 17, 2021, Portland General Electric Company filed a motion to suspend the procedural schedule in this docket. PGE states that the parties to this docket, Commission Staff, the Citizens' Utility Board of Oregon, and the Alliance of Western Energy Consumers, have reached an agreement settling all issues in this docket. The parties are in the process of drafting a stipulation and joint testimony and the parties request the remaining deadlines in the schedule be suspended.

For good cause shown, the procedural schedule is suspended. Parties are reminded to file motions to admit testimony before the target date for the Commission order (December 8, 2021).

Dated this 17<sup>th</sup> day of September, 2021, at Salem, Oregon.
