PROCEDURAL CONFERENCE  
MEMORANDUM

On August 15, 2022, a prehearing conference was held in this proceeding. Representatives appeared from PacifiCorp and the Alliance of Western Energy Consumers.

The parties submitted a proposed procedural schedule prior to the procedural conference. That schedule is adopted, as set forth below.

The parties do intend to hold settlement conferences, for which dates were not set. The parties may set those dates at their discretion but should plan to advise the Commission as soon as practicable when any settlement in principle is reached on any or all issues so that it may determine whether any schedule changes are appropriate.

Under OAR 860-001-0400, an answer to a petition to intervene must be filed within ten days after filing the petition. In order to facilitate timely access to protected materials and expedite the discovery process, parties must indicate intent to file an answer to a petition to intervene within three business days after filing of the petition. The deadline for filing the answer itself remains unchanged.

Any filings submitted in this proceeding are due by 3:00 p.m. in order to provide adequate processing time for the Filing Center. Filings submitted after 3:00 p.m. will be considered filed on the following business day.
