DISPOSITION: PROCEDURAL SCHEDULE MODIFIED

On August 18, 2022, Administrative Law Judge Katharine Mapes issued a memorandum establishing the procedural schedule for this proceeding. On December 6, 2022, PacifiCorp, d/b/a Pacific Power, informed the Commission that PacifiCorp, Commission Staff, and the Alliance of Western Energy Consumers (AWEC), have developed a full settlement of all the issues in this docket, and suspension of the procedural schedule will allow for the filing of a settlement and supporting testimony. The Oregon Citizens' Utility Board (CUB) opposes the settlement.

PacifiCorp has contacted Commission Staff, CUB, and AWEC and no party opposes this motion.

PacifiCorp's motion includes a revised procedural schedule. That schedule is adopted as follows:
