

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 410

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

Application Regarding Amortization of  
Boardman Deferral.

MEMORADNUM ESTABLISHING  
DEADLINE TO RESPOND

On November 7, 2022, the Portland General Electric Company filed motion to suspend the remaining procedural schedule in this docket. PGE requests to instead file a status update no later than February 16, 2023, with information regarding 2022 earnings, settlement discussions, and any scheduling issues. PGE indicates that the other parties to this proceeding oppose its motion. PGE requests expedited consideration of its motion due to the proximity of the November 17<sup>th</sup> evidentiary hearing, and seeks a ruling on its motion by November 10, 2022.

In order to facilitate consideration of PGE's request within the constraints of the current schedule, any responses to PGE's motion are due by 3:00 p.m. on November 9, 2022. Additionally, because cross examination statements and exhibits are due November 9, 2022 under the current procedural schedule, I suspend the deadline for filing cross examination statements and exhibits pending a ruling on PGE's motion.

Dated this 8<sup>th</sup> day of November, 2022, at Salem, Oregon.
