RULING AND MEMORANDUM

DISPOSITION: MOTION GRANTED AND LIVE TESTIMONY ACCEPTED;
TESTIMONY AND CROSS-EXAMINATION SCHEDULE
ADOPTED

On September 1, 2023, PacifiCorp filed a motion for leave to present live testimony. Also on September 1, Staff for the Oregon Public Utility Commission replied that it did not oppose that motion if it had leave to cross-examine that witness if necessary. The motion is granted, and all parties will retain the right to cross-examine that witness.

The witness schedule for hearings on Thursday, September 7 and Friday September 9 is set forth below. The hearing will begin at 9:30 a.m. in-person and via Zoom. To allow time for parties and spectators to test audio and video, you may join Zoom approximately 45 minutes before the hearing. If anyone will be appearing in person, the hearing room in Salem will be open at 8:30 a.m.

Please note that this schedule is approximate and may shift based upon the need for Commissioner questions, follow-up cross-examination from other parties, and any re-direct. We will continue throughout the morning. If necessary, we will conclude Thursday's schedule on Friday, September 8. In any case, the confidential and highly confidential sessions will commence on the morning of Friday, September 8. Zoom links for the confidential sessions will be sent via email to those qualified to attend by close of business Wednesday. If you believe you should be qualified and did not receive a zoom link, please email puc.hearings@puc.oregon.gov by 3:00 p.m. on September 7, 2023.
