OF OREGON**

UE 421

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2022 Power Cost Adjustment Mechanism.

RULING

DISPOSITION: MOTION TO CERTIFY UNCONTESTED SIGNATORY PAGES
AND EXPEDITED CONSIDERATION GRANTED.

On August 2, 2023, Vitesse, LLC filed a motion requesting certification of its signatory pages for Vitesse representatives Dennis Bartlett and Liz Ferrell and consultant Steve Johnson for access to protected information in these proceedings. Vitesse requests expedited consideration so that its representatives and consultant may fully participate in a technical workshop on August 3, 2023. Vitesse states that it has contacted all the parties to these proceedings and that the parties do not object to its request for access to protected information.

For good cause and because no party objects to any of the signatories accessing protected information covered by the general protective order in these proceedings, I grant Vitesse's motion to certify the signatory pages on an expedited basis.

Dated this 2nd day of August, 2023, at Salem, Oregon.
