

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 423

In the Matter of

PORTLAND GENERAL ELECTRIC,

2022 Annual Power Cost Adjustment
Mechanism.

RULING

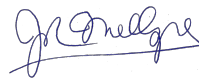

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED; DEADLINE
ESTABLISHED

On September 14, 2023, Portland General Electric (PGE) filed a motion requesting the suspension of the procedural schedule in this docket. PGE's motion states the parties held a settlement conference on September 12, 2023, and that PGE plans to file a stipulation resolving the issues in this docket soon. PGE's motion states Commission Staff and the Citizens' Utility Board (CUB) support the motion.

I find there is good cause to grant PGE's motion and suspend the remaining procedural schedule in this docket. All deadlines, including the hearing scheduled for October 26, 2023, are vacated.

In the event a stipulation is not filed by Friday, October 6, 2023, the parties shall jointly file a status report by 3:00 p.m. on that day.

Dated this 15th day of September, 2023, at Salem, Oregon.
