

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 426

In the Matter of

IDAHO POWER COMPANY,

Application for a General Rate Revision.

RULING

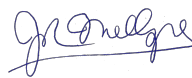

**DISPOSITION: MOTION GRANTED**

On April 24, 2024, Idaho Power Company filed a motion to suspend the procedural schedule in this docket. Idaho Power states the parties have reached a settlement in principle resolving most issues and that a suspension of the procedural schedule would allow the parties time to discuss the final issue and to potentially finalize and execute a settlement stipulation and supporting testimony. Idaho Power states all current parties support the motion.

For good cause, I grant the motion and suspend the procedural schedule. The dates included in my April 23, 2024, memorandum remain in effect. Further, Idaho Power must file a settlement update shortly after the next settlement conference. I also ask that parties maintain calendar holds for the evidentiary hearing and oral argument in case they are needed. The procedural schedule is as follows:

<b>Event</b>	<b>Date</b>
Oregon Irrigation Pumpers Association Supplement to Petition to Intervene	April 26, 2024, at 3:00 p.m. PDT
Objections to OIPA Petition to Intervene or Responses to Motion to Appear Pro Hac Vice	May 1, 2024, at 3:00 p.m. PDT
OIPA Consolidated Reply Brief Addressing Objections and Responses	May 2, 2024, at 3:00 p.m. PDT
Settlement Update	May 9, 2024, at 3:00 p.m. PDT
Hold for Evidentiary Hearing	June 24, 2024, at 9:30 a.m. PDT
Hold for Oral Argument	August 29, 2024, at 9:30 a.m. PDT

Dated this 24th day of April, 2024, at Salem, Oregon.
