

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 427

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Renewable Resource Automatic Adjustment
Clause (Schedule 122) (Clearwater Wind
Project).

RULING

**DISPOSITION: MOTION GRANTED; PARTIES TO FILE STIPULATION AND
TESTIMONY, OR STATUS REPORT**

On February 26, 2024, Portland General Electric Company filed a motion to suspend the procedural schedule in this docket. PGE states that good cause exists to grant the motion because the parties (PGE, Staff, and the Oregon Citizens' Utility Board) have reached a settlement in principle. PGE contends that the parties recently held settlement discussions and are in the process of drafting a stipulation and supporting joint testimony. PGE also states that no parties oppose the motion.

I find good cause exists to grant the motion and suspend the schedule. The parties are directed to file a stipulation, joint supporting testimony, along with motions to admit by 3:00 p.m. on March 26, 2024. If settlement documents are not filed, the parties must file a status report instead.

Dated this 26th day of February, 2024, at Salem, Oregon.
