RULING

DISPOSITION: RESPONSE TIME SHORTENED

On February 29, 2024, Portland General Electric (PGE) filed a motion for a modified protective order. PGE asked for expedited treatment and that the response time be shortened to two days in order to timely update highly sensitive exhibits and respond to filing deadlines and discovery requests.

I find good cause exists to shorten the response time. This ruling provides notice that responses to PGE's motion will be due Monday, March 4, 2024.

Dated this 1st day of March, 2024 at Salem, Oregon.
