In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

RULING

**DISPOSITION: RESPONSE TIME SHORTENED**

On April 12, 2024, Portland General Electric Company (PGE) filed a motion for a modified protective order. PGE asked that the response time be shortened to two days in order to facilitate timely responses to discovery requests.

I find good cause to grant PGE's request. Responses to the motion for modified protective order will be due Tuesday, April 16, 2024, at 3:00 p.m.

Dated this 12th day of April, 2024, at Salem, Oregon.
