On September 29, 2005, a telephone conference was held. Participating in the conference were PacifiCorp, Enron, Industrial Customers of Northwest Utilities, CADO/OECA, Citizens' Utility Board of Oregon, Portland General Electric Company, Bonneville Power Administration, City of Portland, Commission Staff, City of Salem, BOMA, and the City of West Linn.

After inquiry, no party asked for cross-examination. If any party wants to request cross-examination, please notify me by Friday, October 7, 2005. Further, no party indicated that it had decided to request oral argument. If any party wants to request oral argument before the Commissioners, please make the request by October 7. Because limited issues were raised in testimony, prehearing briefs will not be necessary and are removed from the schedule.

If no party requests cross-examination, the hearing will be canceled. Prefiled testimony must be either “sworn to orally or in writing by the witness under oath to be true” to be admitted into evidence. OAR 860-014-0060(4)(a). If a witness is not testifying at hearing, an affidavit must be prepared and submitted prior to the testimony being received into evidence. Affidavits should be submitted by Monday, October 17, 2005.

If any party wishes to cross-examine Mr. Bryan Conway, Staff has advised that he will not be available the week scheduled for hearing. The day for cross-examining Mr. Conway, if necessary, will be Friday, October 28, 2005. The remainder of the schedule will be reset at that time if needed.

Dated at Salem, Oregon, this 30th day of September, 2005.
