RULING

**DISPOSITION: SCHEDULE SUSPENDED**

By letter dated November 27, 2013, counsel for the Oregon Public Utility Commission Staff reported that the parties to this proceeding – Avista Corporation dba Avista Utilities; the Citizens' Utility Board of Oregon; the Northwest Industrial Gas Users; and Commission Staff – have reached agreement in principle on all issues in this docket. In order to allow the parties time to prepare and finalize a stipulation and supporting documentation, the parties request that the current schedule be suspended.<sup>1</sup> They intend to file the stipulation with supporting documentation as soon as possible.

For good cause shown, the procedural schedule in this docket is suspended, pending the filing of the stipulation and supporting documentation.
