

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UG 288

In the Matter of

AVISTA CORPORATION, dba
AVISTA UTILITIES,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

By motion filed December 30, 2015, Avista Corporation, dba Avista Utilities, filed a motion for leave to admit revised testimony and to amend its post-hearing brief. Motions to admit testimony will be addressed in the final order in this docket. In this ruling, I address the company's motion to amend its post-hearing brief.

According to Avista, it recently discovered an error its original filed testimony concerning the treatment of bonus tax depreciation/repairs. In this filing, it corrects its original testimony and changes its post-hearing brief to correspond to the changes in its testimony.

Avista states that it has brought this matter to the attention of all parties, recognizing that reply briefs are due to be filed on January 8, 2016.

Avista has shown good cause for amending its brief to correspond to the corrections to its testimony. Its motion to amend its post-hearing brief is granted.

Dated this 5th day of January, 2016, at Salem, Oregon.
