In the Matter of

NORTHWEST NATURAL GAS
COMPANY, dba NW NATURAL

BENCH REQUEST

Request for a General Rate Revision.

The following questions are intended to facilitate a comprehensive understanding of the potential changes to the company's rates occurring through the end of the test year.

- 1-1. Please provide a breakdown of all filed or anticipated rate adjustment requests or applications, including those included in this general rate revision, that could result in a rate adjustment effective between November 1, 2024, and October 31, 2025. Please provide the information request in an excel spreadsheet in the format below, with all data filterable/sortable. Provide estimates where actuals are not available. Identify the overall estimated rate impact and residential rate impact, expressed both in dollar and percentage terms and including the cost of gas, that would result from approval of the company's request as well as the anticipated filing date and requested effective date of any associated rate adjustment. This request is ongoing and should be updated as information changes through these proceedings.

Rate Adjustment	Filing Date (anticipated or actual)	Rate impact in \$	Rate impact in %	Rate Effective Date	Schedule #
-----------------	-------------------------------------	-------------------	------------------	---------------------	------------

- 1-2. Refer to NW Natural/1803, Wyman/1. Please provide a revised table including the rate adjustments identified in response to request 1-1 above, similar to the exhibit submitted as Exhibit NW Natural/1403, Wyman/2 in docket UG 435. This request is ongoing and should be updated as information changes through these proceedings.

The company is directed to file responses by 3:00 p.m., on March 21, 2024. The parties may file replies by 3:00 p.m., on April 4, 2024.

Dated this 7th day of March, 2024, at Salem, Oregon.
