DISPOSITION: AFFIDAVITS DUE

On August 16, 2004, I cancelled the hearing in this docket, and set forth a process under which an evidentiary record could be completed. I failed to point out OAR 860-014-0060, which requires testimony to be sworn to either orally or in writing prior to being received. Affidavits must be filed for each witness who is testifying, stating that the testimony previously filed is true and accurate, that no corrections need to be made, or in the alternative, that the following corrections are necessary, with a list of the corrections and citations to the testimony. Due to time constraints, the affidavits must be filed by Monday, August 23, 2004.

Dated at Salem, Oregon, this 18th day of August 2004.
