DISPOSITION: MOTION TO SUSPEND SCHEDULE GRANTED

On October 27, 2005, Pacific Power & Light (PacifiCorp) filed a motion seeking to temporarily suspend the process to review its 2009 Request for Proposals for a Flexible Resource (RFP 2009). PacifiCorp explains that recent updates of its resource assumptions may indicate that there is no need for a 2009 resource. Because it expects to complete the update process and file results on November 5, 2005, PacifiCorp requests the RFP process be temporarily suspended. The Commission Staff does not object to the request.

PacifiCorp's motion is granted.

Dated at Salem, Oregon, this 2nd day of November, 2005.
